
House Rules – Sanremo

Welcome to Sanremo!

We are delighted to host you and hope you have a pleasant and relaxing stay. If you need any assistance, please contact us via the chat on the booking platform, and we will respond as soon as possible.

The apartment is entirely at your disposal, but we kindly ask you to follow a few simple rules to ensure a comfortable stay for you and future guests.

House Rules

1. **Bed linen and towels**

You will find clean bed linen and towels in the bathroom and bedroom. There are no mid-stay changes; fresh sets are provided for each new guest.

2. **Welcome kit**

A small kit with essential items is available in the bathroom in case you need them.

3. **Closed wardrobe**

If you find any wardrobe doors locked, please do not force them. They contain personal belongings and staff equipment. You can use the available storage space.

4. **Windows and French doors**

The windows have a simple locking mechanism:

- **Green:** The window is unlocked and can be opened or closed.
- **Red:** The window is locked.

Warning! If you close the window while the indicator is on red, you risk breaking the latch. Always ensure the indicator is on green before closing.

5. **Using the washing machine**

You may use the washing machine if needed, but please:

- **Before turning it on, open the water valve**, located on the tiles above the kitchen sink tap.
- **After the wash cycle, close the valve.**
- Avoid running other appliances simultaneously to prevent power outages.

6. No smoking

Smoking is **strictly prohibited** inside the apartment.

7. Carbon monoxide detector

A carbon monoxide detector is installed in the kitchen. **Do not unplug it under any circumstances.**

8. Waste separation

Sanremo has mandatory waste separation. Please use the following bags:

- **Yellow:** Plastic
- **Blue:** Paper
- **Thin transparent:** Organic waste
- **Any bag:** Non-recyclable waste
- **Dedicated container:** Glass

If your stay exceeds two days, you must follow the waste collection schedule. Waste should be placed at the bottom of the driveway in the designated area.

The waste collection schedule for domestic users in Sanremo varies by area. You will find the exact collection days on a table in the kitchen.

9. Before leaving the apartment

Please:

- Close all windows
- Turn off the lights
- Check that you have all your personal belongings
- **Turn off the gas in the kitchen using the designated valve**

10. Returning the keys

At the end of your stay, place:

- **The apartment keys in the garage keybox**
- **The garage keys in the street-side keybox**
- Scramble the codes so that only someone who knows the code can open the keyboxes.

11. Cleaning and drying laundry

A cleaning company will sanitize the apartment after your departure. However, please leave the space tidy, especially the kitchen, and wash any used dishes.

Cleaning products are available in the kitchen.

Do not hang towels or laundry visibly outside (e.g., on the terrace railing).

Please dry them on the window racks in the bedrooms. Wall-mounted drying racks are available under the window.

12. Building concierge

A building concierge is available for assistance. You can contact them directly:

- **Via the intercom at the building entrance**
- **By pressing the black button on the intercom in the apartment**

Thank you for your cooperation! We hope you enjoy your stay in Sanremo!
